Re: Freedom of Information Act Request HQ-2019-01294-F

Dear Ms. Best:

This is a final response from the Department of Energy (DOE), Office of Inspector General (OIG) under the Freedom of Information Act (FOIA), 5 U.S.C. § 552. You requested the following:

“A copy of the list or printout or database listing of Inspector General investigations closed/reports completed during calendar year 2015.”

The OIG has completed the search and review of its files and identified one document responsive to your request. A review of this document and a determination concerning the release has been made pursuant to the FOIA. Based on this review, the OIG determined that certain material should be withheld pursuant to subsections (b)(6) and (b)(7)(c) of the FOIA, referred to as Exemptions 6 and 7(c), respectively.

Exemption 6 protects from disclosure “personnel and medical and similar files the disclosure of which would constitute a clearly unwarranted invasion of personal privacy. . . .” Exemption 7(C) provides that “records or information compiled for law enforcement purposes” may be withheld from disclosure, but only to the extent the production of such documents “could reasonably be expected to constitute an unwarranted invasion of personal privacy. . . .”

Names and information that would tend to disclose the identity of certain individuals have been withheld pursuant to Exemptions 6 and 7(C). Individuals involved in the OIG enforcement matters, which in this case include subjects, witnesses, sources of information, and other individuals, are entitled to privacy protections so that they will be free from harassment, intimidation and other personal intrusions.

In invoking Exemptions 6 and 7(C), we have determined that it is not in the public interest to release the withheld material. In this request, we have determined that the public interest in the

identity of individuals who appear in these files does not outweigh these individuals' privacy interests. Those interests include being free from intrusions into their professional and private lives.

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. 552(c) (2006 & Supp. IV 2010). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

To the extent permitted by law, the DOE, in accordance with Title 10, Code of Federal Regulations (C.F.R.), Section 1004.1, will make available records it is authorized to withhold pursuant to the FOIA unless it determines such disclosure is not in the public interest. As required, all releasable information has been segregated from the material that is withheld and is provided to you. See 10 C.F.R. § 1004.7(b)(3).

This decision may be appealed within 90 calendar days from your receipt of this letter pursuant to 10 C.F.R. 1004.8. Appeals should be addressed to the Director, Office of Hearings and Appeals, HG-1 /L'Enfant Plaza Building, U.S. Department of Energy, 1000 Independence Avenue, SW, Washington, DC 20585-1615 or by email to [OHA.filings@hq.doe.gov](mailto:OHA.filings@hq.doe.gov), including the phrase "Freedom of Information Appeal" in the subject line.

Thereafter, judicial review will be available to you in the Federal district court either 1) in the district where you reside; 2) where you have your principal place of business; 3) where the Department's records are situated, or 4) in the District of Columbia.

If you have any questions about the processing of your request, you may contact our FOIA Public Liaison, Mr. Alexander Morris, by phone at (202) 586-5955 or by email at [Alexander.Morris@hq.doe.gov](mailto:Alexander.Morris@hq.doe.gov), to discuss any aspect of your request. Please know that you also have the right to seek dispute resolution services from the FOIA Public Liaison or the Office of Government Information Services, <https://ogis.archives.gov>, via telephone, (202) 741-5770 // (877) 684-6448 (toll free), by fax: (202) 741-5769 or email [ogis@nara.gov](mailto:ogis@nara.gov).

Sincerely,

Dustin R. Wright  
Assistant Inspector General  
for Investigations  
Office of Inspector General

Enclosure
